Cookies are useful because they allow our Service to function securely and help us understand how users navigate our platform so we can improve the experience.

These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us know which pages are the most and least popular and see how visitors move around the site.

- **Purpose:** Aggregating anonymous data regarding usage patterns and troubleshooting technical issues.
- **Legal Basis:** Consent. We will only set these cookies if you have clicked "Accept" on our cookie banner.
- **Consent:** Required (in jurisdictions such as the EEA/UK).

5. THIRD-PARTY COOKIES

We may engage reputable third-party analytics providers to assist in analyzing usage of our Service. These providers may set their own cookies on your device. We do not control these cookies, and they are governed by the privacy policies of the respective third parties.

Due to the nature of the internet, we cannot strictly control the cookies set by third parties, but we only partner with services that demonstrate a commitment to data privacy.

6. COOKIE DURATION

Depending on their lifespan, cookies are categorized as:

- **Session Cookies:** These are temporary and expire once you close your browser or end your session. We use these primarily for authentication and security during your visit.
- **Persistent Cookies:** These remain on your device for a set period or until you manually delete them. We use these to remember your preferences (such as language or consent status) for future visits.

7. MANAGING YOUR COOKIE PREFERENCES

You have the right to decide whether to accept or reject cookies.

- **Cookie Banner:** Upon your first visit to our website, you will be presented with a cookie banner allowing you to accept or reject Analytics cookies. You can update your consent preferences at any time via the cookie settings link in our website footer.
